

Kluane Drilling LTD.

Health & Safety Committee Agenda

Agenda

Date: 27/06/2025

Location: Whitehorse

Time: 1:00pm to 1:30pm

Place: Yellow Shop

Chairperson: Irving Salas

1. **Call meeting to order.**

2. **Roll Call:**

Kevin Smith, Robert Kunde, Irving Salas.

3. **Recommended Talking Points –**

Talk about the use of 4x4s in trucks in the daily safety meeting.

4. **Matters arising from the minutes:**

1.- The purchase of G5-01 Masks is requested for use in welding workshops to prevent damage caused by fumes generated when welding aluminium.

2.- Follow-up on reports or non-conformities resulting from daily inspections. Who will review them and how often to ensure that important information is not lost.

3.- The installation of smoke extractors in the Yellow Shop and Blue Shop workshops is planned for September 2025, when workshop activity begins to slow down.

5. **Review of regular subcommittees** (reports arising from workplace inspections; reports arising from accident investigations/reviews).

We have the CORE audit in July 2025.

The incident in Mexico was mentioned, where the driver had a slight sleep and went off the road and crashed into a tree.

6. **Special reports from subcommittees** (if applicable). N/a

7. **New business/concerns:** N/A

8. **Training and education**
